Underworld Blood Wars English Movie In Hindi 720p The world is no longer safe from humans as they have been wiped out from the Earth. The remaining few of the species are struggling to survive as they fight for their lives against vampires and werewolves. A girl called Sonja has managed to find a way towards a gang that is involved in smuggling weapons into different territories. The gang soon comes across a vampire that had been sent by his kin to track down the human traffickers who used a special method of wiping them out of existence. Sonja manages to escape alive and runs off with her friends on an adventure where she gets exposed to new things about herself, her profession, and even new people who accept them fully. Miscellaneous Crew Members: Other Actors:

"Underworld Blood Wars" has been produced by Lakeshore Entertainment and Hopscotch Features. The film is being shot in Budapest, Hungary. Furthermore, shooting will also take place at a studio in Budapest and a set on the outskirts of the city. The set is the first part of a big night shoot with a line crew of more than 100 people. Principle photography began on March 2, 2016 in Auckland, New Zealand. The movie started shooting in New Zealand, because that's where Kate Beckinsale and Theo James who play Selene and David in the film, live. The visual effects for this movie were created by Weta Digital and Nvizable. On April 15, 2015 Millennium Films announced that they will release "Underworld: Blood Wars" on January 6, 2017. They moved the release date to October 21, 2016 in March 2016. However they pushed the date back again to January 6, 2017 in August 2016. In September 2016 it was announced that Screen Gems would distribute the film nationwide. The film was released in the United States on January 6, 2017. It is scheduled to be released in Germany on May 26, 2017. In September 2016 it was announced that the film would be released in India on March 24, 2017. In January 2017 it was announced that it will also be released in Australia. However the Australian release date has been delayed several times due to issues with classification from the Australian Classification Board and releasing details from distributors Madman Entertainment becoming unclear. According to Madman Entertainment's website the Australian release date has recently been changed to March 30, 2018 . The film was released in the United States, Canada, and Venezuela on January 6, 2017. It has an MPAA rating of R for violence and bloody images. Most critics enjoyed the film. On Rotten Tomatoes it has an approval rating of 81% based on 160 reviews with an average rating of 6.2/10. The site's critical consensus reads, ""Underworld: Blood Wars" proves that Kate Beckinsale remains a strong action heroine in this well-designed sequel to the 2009 franchise reboot." On Metacritic it has a score of 67 out of 100 based on 37 critics, indicating "generally favorable reviews".
